

Antilles

Software Grant and Individual/Non-Commercial Contributor License Agreement ("Agreement") v1.0

Thank you for your interest in Antilles Project ("Project") which is managed and maintained by Lenovo. In order to clarify the intellectual property license granted with Contributions from any person or entity, Lenovo must have a Contributor License Agreement (CLA) on file that has been signed by each Contributor, indicating agreement to the license terms below. This license is for your protection as a Contributor as well as the protection of other Contributors to the Project and its users; it does not change your rights to use your own Contributions for any other purpose.

This version of the Agreement allows an individual or a non-commercial entity to submit Contributions to the Project and to grant copyright and patent licenses thereto.

If you have not already done so, please complete and sign, then scan and email a PDF file of this Agreement to **cla_antilles@lenovo.com**. Please read this document carefully before signing and keep a copy for your records.

Full name: _____

Country: _____

You accept and agree to the following terms and conditions for Your present and future Contributions submitted to the Project. Except for (i) the license granted herein to Lenovo and other Contributors to the Project, and (ii) rights granted to recipients of software distributed by the Project under the applicable open source software licenses, You reserve all right, title, and interest in and to Your Contributions.

1. Definitions.

"You" (or "Your") shall mean the copyright owner or legal entity authorized by the copyright owner that is making this Agreement with Lenovo and making a Contribution to the Project.

"Contribution" shall mean the code, documentation or other original works of authorship expressly identified in Schedule A, as well as any original work of authorship, including any modifications or additions to an existing work, that is intentionally submitted by You to the Project for inclusion in, or documentation of, any of the products owned or managed by the Project (the "Work"). For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to the Project or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the Project for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by You as "Not a Contribution."

2. Grant of Copyright License. Subject to the terms and conditions of this Agreement, You hereby grant to Lenovo and all other Contributors to the Project a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare derivative works of, publicly display, publicly perform, sublicense, and distribute Your Contributions and such derivative works.

3. Grant of Patent License. Subject to the terms and conditions of this Agreement, You hereby grant to Lenovo and all other Contributors to the Project a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by You that are necessarily infringed by Your Contribution(s) alone or by combination of Your Contribution(s) with the Work to which such Contribution(s) were submitted. If any Contributor institutes patent litigation against You or any other entity (including a cross-claim or counterclaim in a lawsuit) alleging that your Contribution, or the Work to which you have contributed, constitutes direct or contributory patent infringement, then any patent licenses granted to that Contributor under this Agreement for that Contribution or Work shall terminate as of the date such litigation is filed.

4. Project License. You understand and agree that Your Contributions may be made available by or as part of the Project to the public under one or more open source software license to be selected by Lenovo. To the extent there is a conflict between such open source license(s) and the terms of this Agreement, as applicable to Lenovo and other Contributors to the Project, the terms of this Agreement shall prevail.

5. You represent that You are legally entitled to grant the above license and to make Your Contributions to the Project. If Your employer owns the rights to any of Your Contributions, including intellectual property rights, You represent that (a) You have received express permission from your Employer to make such Contributions in your individual capacity and that Your employer has waived its rights with respect to Your Contributions to the Project, or (b) you are contributing on behalf of your employer and have the corporate right, power and authority to

bind Your employer and to submit Contributions on behalf of Your employer. ***You may not submit a Contribution on behalf of Your employer under this Agreement unless such employer is a non-commercial entity. If your employer is a commercial entity, You must do so under the terms of a separate Corporate CLA executed by Your employer with Lenovo and only if You are designated in that agreement as being authorized to submit Contributions on behalf of Your employer.***

6. You represent that each of Your Contributions is Your original creation (see section 8 for submissions on behalf of others).

7. You are not expected to provide support for Your Contributions, except to the extent You desire to provide support. You may provide support for free, for a fee, or not at all. Except as explicitly stated in the Agreement and unless required by applicable law or agreed to in writing, You provide Your Contributions on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE.

8. Subject to section 5 above, should You wish to submit work that is not Your original creation, You may submit it to the Project separately from any Contribution, identifying the complete details of its source and of any license or other restriction (including, but not limited to, related patents, trademarks, and license agreements) of which you are personally aware, and conspicuously marking the work as "Submitted on behalf of a third-party: [named here]".

9. The Contributor acknowledges that the delivery of this Agreement by facsimile or in electronic format via email shall have the same force and effect as delivery of original signatures and that both Lenovo and the Contributor may use facsimile, electronic format signatures, and photocopies of signatures as evidence of the execution and delivery of this Agreement by the Contributor to the same extent that an original signature could be used.
